Dear Alan:

While in England you asked me for the various ratios in tires run on the Cobras during the European racing last year:

Targa Florio:

4:09 with Goodyear stock car specials - 8:30x15 rear,
5:90 front.

Spa:

3:09 coupes; 3:31 roadsters.

Nurburgring:

3:54 roadster; No coupes entered (probable 3:31).

LeMans:

3:09 coupes.

Rheims:

3:09 coupes

Hill Climbs:

Roadsters 4:09.

Goodwood:

4:09 coupes.

Same tires run during all these events.

Sincerely,

Phil Remington,
Chief Engineer
