

Hi Mike;

6-23-90

I just received your wonderful book and I want to thank you. It is with out a doubt the best publication I have ever read on the Shelby cars. It is not only professional and accurate but a beautiful piece of work. I know the effort you put into it was tremendous but it sure did pay off. Thanks again.

I finally retired in April and moved to Eugene Oregon. Lew Spencer sent your book up to me here.

If in your travels you happen to be in our area please stop by and say hello. I would very much like to see you.

Sincerely,
